

The map shows the North Sea region with 11 sampling stations labeled K7, L7, M7, K8, L8, M8, K9, L9, M9, K10, L10, M10, K11, L11, M11, N9, N10, and N11. A central area, likely the Kattegat, is marked with a cross-hatch pattern. The stations are arranged in a grid-like pattern around this central area.
